The Road to Omaha-Robert
Ludlum 2014-10-28 Robert

Ludlum's wayward hero, the outrageous General MacKenzie Hawkins, returns with a diabolical scheme to right a very old wrong—and wreak vengeance on the [redacted] who drummed him out of the military.

Discovering a long-buried 1878 treaty with an obscure Indian tribe, the Hawk, a.k.a. Chief Thunder Head, hatches a brilliant plot that will ultimately bring him and his reluctant legal eagle, Sam Devereaux, before the Supreme Court. Their goal is to reclaim a choice piece of American real estate: the state of Nebraska, which just so happens to be the headquarters of the U.S. Strategic Air Command. Their outraged opposition will be no less than the CIA, the Pentagon, and the White House. And only one thing is certain: Ludlum will keep us in nonstop suspense—and side-splitting laughter—through the very last page. Praise for Robert Ludlum and *The Road to Omaha* "A very funny book . . . No character is minor: They're all hilarious."—Houston Chronicle "Don't ever begin a

The Curiosity-Stephen P.

Kiernan 2013-07-09 The Curiosity, Stephen Kiernan’s debut novel, is a gripping, poignant, and thoroughly original thriller that raises disturbing questions about the very nature of life and humanity—man as a scientific subject, as a tabloid plaything, as a living being, as a curiosity.... Dr. Kate Philo and her scientific exploration team make a breathtaking discovery in the Arctic: the

body of a man buried deep in the ice. Remarkably, the frozen man is brought back to the lab and successfully reanimated. As the man begins to regain his memories, the team learns that he was—is—a judge, Jeremiah Rice, and the last thing he remembers is falling overboard into the Arctic Ocean in 1906. Thrown together by circumstances beyond their control, Kate and Jeremiah grow closer. But the clock is ticking and Jeremiah’s new life is slipping away...and all too soon, Kate must decide how far she is willing to go to protect the man she has come to love.

The Chancellor

Manuscript-Robert Ludlum

2015-04-28 Did J. Edgar Hoover die a natural death? Or was he murdered? When a group of high-minded and high-placed intellectuals known as Inver Brass detect a monstrous threat to the country in Hoover’s unethical use of his scandal-ridden private files, they decide to do away with him—quietly, efficiently, with no hint of impropriety. Then bestselling

thriller writer Peter Chancellor stumbles onto information that makes his previous books look like harmless fairy tales. Now Chancellor and Inver Brass are on a deadly collision course, spiraling across the globe in an ever-widening arc of violence and terror. All roads lead to a showdown that will rip the nation's capital apart—leaving only one damning document to survive. Praise for Robert Ludlum and *The Chancellor Manuscript* “[*The Chancellor Manuscript*] exerts a riveting appeal, as it seems to justify our worst nightmares of what really goes on in the so-called intelligence community in Washington.”—*The New York Times Book Review* “Ludlum stuffs more surprises into his novels than any other six-pack of thriller writers combined.”—*The New York Times* “Powerhouse momentum . . . as shrill as the siren on the prowl car.”—*Kirkus Reviews* “A complex scenario of inventive double-crossing.”—*Chicago Sun-Times*

Three Great Novels, The

Beginning-Robert Ludlum
2004 *THE SCARLATTI INHERITANCE* - A spellbinding story of international terror and intrigue, greed and cunning, suspense and murder, revolving around a file whose contents will destroy many of the Western world's greatest reputations if they are made known. *THE OSTERMAN WEEKEND* - John Tanner, network news director, is looking forward to a weekend party with his friends. But then the CIA tell him that they are all suspected Soviet agents: fanatical, traitorous killers working for Omega, a massive Communist conspiracy... *THE MATLOCK PAPER* - James Matlock, professor of English at Carlyle University, New England, is assigned by the US government to investigate what seems to be a large-scale dope and prostitution business on campus. But does he realise what the ultimate effect on his personal life will be?

The Bancroft Strategy-

Robert Ludlum 2010-04-01 In the tradition of such Ludlum classics as The Chancellor Manuscript and The Icarus Agenda, The Bancroft Strategy is a compelling novel of intrigue, where two figures find themselves facing a shadowy organization working to twist global politics to their own unsavory ends. When Todd Belknap - a legendary field agent for Consular Operations with a reputation as something of a cowboy - is cut loose from the agency after an operation goes wrong, his best friend and fellow agent is abducted in Lebanon by a militia group with a vicious reputation. When the government refuses to either rescue him or negotiate for his release, Belknap decides to take matters into his own hands. Meanwhile, hedge fund analyst Andrea Bancroft gets a surprising call - she is to receive an unexpected bequest of six million dollars from a cousin she never met. With one condition -- she must agree to sit on the board of the Bancroft family foundation, a charitable

organization that is run by the family patriarch, Paul Newton. Having never been involved with, or even met, the family - her mother was briefly married to an Bancroft and cut off all contact many years ago - Andrea is intrigued. But the foundation, which is dedicated to doing strategic good deeds, appears less and less benign the more deeply involved she gets. What exactly is their involvement with the "Genesis" - a mysterious group working to destabilize the geopolitical balance at the risk of millions of lives? As events escalate, Todd Belknap and Andrea Bancroft come together and must form an uneasy alliance if they are to uncover the truth behind "Genesis" -- before it is too late.

The Matarese Countdown-
Robert Ludlum 2014-12-30
"Twenty years ago, top agents from the CIA and KGB banded together to bring down the Matarese Circle, an international cabal of power

brokers and assassins whose sole objective was to achieve worldwide economic domination. Now the bloody Matarese dynasty is back--and the only man with the power to stop it may have already run out of time. CIA case officer Cameron Pryce is hot on the trail of the new Matarese alliance. His only chance to terminate its ruthless activities is to follow the trail of blood money and stone-cold killers right to the heart of its deadly conspiracy. From the Hamptons to London's Belgrave Square, Matarese assassins have already struck with brutal efficiency, eliminating all who stand in their way. Their chain of violence is impossible to stop--until Pryce gets a rare break. One of the Matarese's victims survives long enough to whisper dying words that will blow the case wide open: the top secret code name for legendary retired CIA agent Brandon Scofield--the only man who has ever infiltrated the Matarese inner circle and lived to tell about it"--

The Icarus Agenda-Robert Ludlum 2014 When his part in the settlement of a hostage crisis is revealed, congressman Evan Kendrick becomes the pawn of those who wish to make him president and the target of terrorists seeking revenge.

The Tristan Betrayal-Robert Ludlum 2007-04-01 In the fall of 1940, the Nazis are at the height of their power - France is occupied, Britain is enduring the Blitz and is under the threat of invasion, America is neutral, and Russia is in an uneasy alliance with Germany. Stephen Metcalfe, the younger son of a prominent American family, is a well-known man about town in occupied Paris. He's also a minor asset in the U.S.'s secret intelligence forces in Europe. Through a wild twist of fate, it falls to Metcalfe to instigate a bold plan that may be the only hope for what

remains of the free world. Now he must travel to wartime Moscow to find, and possibly betray, a former love - a fiery ballerina whose own loyalties are in question - in a delicate dance that could destroy all he loves and honors.

All Those Moments-Rutger Hauer 2009-10-13 He came to mainstream prominence as a machine more human than his creators in Blade Runner, terrified us as a hitchhiker bent on his own death and the death of anyone who got in his way in The Hitcher, and unforgettably portrayed a lonely king roaming the night as a wolf and pining for the love of a hawk during the day in Ladyhawke. Rutger Hauer has dazzled audiences for years with his creepy, inspiring, and villainous portrayals of everyone from a cold-blooded terrorist in Nighthawks to a blind martial arts master in Blind Fury, but his movie career was nothing compared to his real-life adventures of riding horses, sword fighting, and leaving home at fifteen to scrub decks on a freighter and explore the

world. From poverty to working with a traveling theater troupe to his breakout European performance in Turkish Delight and working with legendary directors such as Paul Verhoeven (RoboCop and Basic Instinct) and Ridley Scott (Alien and Gladiator), Hauer has collected All Those Moments here.

The Matarese Circle-Robert Ludlum 2012-08-14 An international circle of killers, the Matarese will undoubtedly take over the world within just two years. Only two rival spies have the power to stop them: Scofield, CIA, and Talaniekov, KGB. They share a genius for espionage and a life of explosive terror and violence. But though these sworn enemies once vowed to terminate each other, they must now become allies. Because only they possess the brutal skills and ice-cold nerves vital to their mission: destroy the Matarese. Praise for Robert Ludlum and The Matarese Circle “A blockbuster . . . Ludlum’s best.”—The Wall Street Journal “A spellbinder.”—The Dallas Morning News

If They Move . . . Kill 'Em!-

David Weddle 2016-03-29

“What Citizen Kane was to movie lovers in 1941, The Wild Bunch was to cineastes in 1969,” critic Michael Sragow wrote in the New Yorker. “Its adrenaline rush of revelations seemed to explode the parameters of the screen.” If They Move . . . Kill 'Em! is the first major biography of David Samuel Peckinpah. Written by the film critic and historian David Weddle, this fascinating account does critical justice to an important body of cinema as it spins the tale of Peckinpah’s dramatic, overcharged life and the turbulent times through which he moved. Sam Peckinpah was born into a clan of lumberjacks, cattle ranchers, and frontier lawyers. After a hitch with the Marines, he made his way to Hollywood, where he worked on a string of low-budget features. In 1955 he began writing scripts for Gunsmoke; in less than a year he was one of the hottest writers in television, with two classic series, The Rifleman and The Westerner, to his credit. From there he went on to direct a phenomenal series of features, including Ride the

High Country, Straw Dogs, The Getaway, Pat Garrett and the Billy the Kid, and The Wild Bunch. Peckinpah was both a hopeless romantic and a grim nihilist, a filmmaker who defined his era as much as he was shaped by it. Rising to prominence in the social and political upheaval of the late sixties and early seventies, Peckinpah and his generation of directors—Stanley Kubrick, Arthur Penn, Robert Altman—broke with convention and turned the traditional genres of Western, science fiction, war, and detective movies inside out. No other era in Hollywood has matched it for sheer energy, audacity, and originality, no one cut a wider path through that time than Sam Peckinpah.

The Prometheus Deception-

Robert Ludlum 2007-04-01

Robert Ludlum is the acknowledged master of suspense and international intrigue. For over thirty years, in over twenty international bestsellers, he has a set a standard that has never been equaled. Now, with the Prometheus Deception, he

proves that he is at the very pinnacle of his craft. Nicholas Bryson spent years as a deep cover operative for the American secret intelligence group, the Directorate. After critical undercover mission went horribly wrong, Bryson was retired to a new identity. Years later, his closely held cover is cracked and Bryson learns that the Directorate was not what it claimed - that he was a pawn in a complex scheme against his own country's interests. Now, it has become increasingly clear that the shadowy Directorate is headed for some dangerous endgame - but no one knows precisely who they are and what they are planning. With Bryson their only possible asset, the director of the CIA recruits Bryson to find, reinfiltrate, and stop the Directorate. But after years on the sidelines, Bryson's field skills are rusty, his contacts unreliable, and his instincts suspect. With everything he thought he knew about his own life in question, Bryson is all alone in a wilderness of mirrors - unsure what is and isn't true and who, if anyone, he can trust - with the future of millions in the balance.

The Parsifal Mosaic-Robert Ludlum 2015-03-31 Michael Havelock's world died on a moonlit beach on the Costa Brava. He watches as his partner and lover, Jenna, double agent, was efficiently gunned down by his own agency. There was nothing left for him but to quit the game, get out. filmmakers, revealing new insights into his artistic process and the development of his lasting themes. Edited by Michael Bliss, this book provides groundbreaking criticism of Peckinpah's work by illuminating new sources, from modified screenplay documents to interviews with screenplay writers and editors. Included is a rare interview with A. S. Fleischman, author of the screenplay for *The Deadly Companions*, the film that launched Peckinpah's career in feature films. The collection also contains essays by scholar Stephen Prince and Paul Seydor, editor of the controversial special edition of *Pat Garrett and Billy the Kid*. In his essay on *Straw Dogs*, film critic Michael Sragow reveals how Peckinpah and co-scriptwriter David Zelag Goodman transformed a pulp novel into a powerful film. The final essay of the collection surveys Peckinpah's career, showing the dark turn that the filmmaker's artistic path took between his first and last films. This comprehensive approach reinforces the book's dawn-to-dusk

approach, resulting in a fascinating picture of a great filmmaker's work.

The Poe Shadow-Matthew Pearl 2006-05-23 "I present to you . . . the truth about this man's death and my life." Baltimore, 1849. The body of Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and even Poe's own family and friends accept the conclusion that Poe was a second-rate writer who met a disgraceful end as a drunkard. Everyone, in fact, seems to believe this except a young Baltimore lawyer named Quentin Clark, an ardent admirer who puts his own career and reputation at risk in a passionate crusade to salvage Poe's. As Quentin explores the puzzling circumstances of Poe's demise, he discovers that the writer's last days are riddled with unanswered questions the police are possibly willfully ignoring. Just when Poe's death seems destined to remain a mystery, and forever sealing his ignominy, inspiration strikes Quentin-in the form of Poe's own stories. The young attorney realizes

that he must find the one person who can solve the strange case of Poe's death: the real-life model for Poe's brilliant fictional detective character, C. Auguste Dupin, the hero of ingenious tales of crime and detection. In short order, Quentin finds himself enmeshed in sinister machinations involving political agents, a female assassin, the corrupt Baltimore slave trade, and the lost secrets of Poe's final hours. With his own future hanging in the balance, Quentin Clark must turn master investigator himself to unchain his now imperiled fate from that of Poe's. Following his phenomenal debut novel, *The Dante Club*, Matthew Pearl has once again crossed pitch-perfect literary history with innovative mystery to create a beautifully detailed, ingeniously plotted tale of suspense. Pearl's groundbreaking research-featuring documented material never published before—opens a new window on the truth behind Poe's demise, literary history's most persistent enigma. The resulting novel is a publishing event that,

through sublime craftsmanship, subtle wit, and devious twists, does honor to Poe himself
